

VICTORIA CP SCHOOL

FEEDBACK FROM PARENTS' DAY JUNE 26<sup>TH</sup> 2015

PARENTS OF	WHAT WAS ENJOYABLE ABOUT THE DAY?	WHAT ELSE CAN THE SCHOOL DO TO KEEP PARENTS MORE INFORMED AND INVOLVED?
<b>FOUNDATION PHASE PUPILS</b>	Seeing how all the children play nicely together. Everything! Motivational lessons Rewards for achievements Seeing the children enjoy their green time Experiencing the assembly Spending time with our children in the school environment Story on the field	More Parents' Days More regular parents' meetings Share day to day routines with parents
<b>KEY STAGE 2 PUPILS</b>	Watching the children interact and engage with their teachers Seeing how well behaved the children are Natural style of teaching Pupil's listening skills	A staff noticeboard so we know who everyone is A short email every fortnight to update on what's going on in school Keep sending information home about how we can help our children with their learning

Again, a huge thank you to all the parents who are coming into school to experience teaching and learning at Victoria CP School. You are so valuable in your child's learning journey.

The information you have given me this year will be included in our self -evaluation and school improvement documentation. I always welcome your thoughts and ideas on how to improve our school.
