

_____ has moved to 'Green Group'.

In this Read Write Inc. group children will continue to reinforce Set 1 and Set 2 sounds and learn the letter names. They will be working on 'Green books'. These are more complex books including fiction and non-fiction titles which provide an opportunity to practise the new sounds they have learned by sounding out phonetically. The children call this 'Fred talk'.

There are 12 Set 2 'speed sounds' that are made up of two or three letters which represent just one sound, e.g. ay as in play, ee as in tree and igh as in high. These are also known as 'digraphs'. It is important that your child does not pronounce these as 2 or 3 separate sounds. When your child sees the 'speed sounds' letters together in a word, s/he must say just one sound for these letters. Your child will refer to digraphs/trigraphs as 'special friends' and are aware that the 2/3 letters together make 1 sound.

When your child learns their Set 2 sounds in school they will learn:

- The letters that represent a speed sound e.g. 'ay' a simple picture prompt linked to the 'speed sound'
 - A short phrase to say e.g. 'may I play'.
- An action that will help them to remember the phrase and sound.

Set 2 Sounds and Phrases	
ay: may I play	ee: what can you see
igh: fly high	ow: blow the snow
oo: poo at the zoo	oo: look at the book
ar: start the car	or: shut the door
air: that's not fair	ir: whirl and twirl
ou: shout it out	oy: toy for a boy

Every speed sound has a list of green words linked to it so your child can 'sound out' and 'sound blend' words containing the new speed sound they have just learnt, for example, s-p-o-i-l spoil.

Your child may have remained in this group. This means they need to continue to practise their Set 1 sound blending skills to ensure they can read real and nonsense CCVC words and CVCC words.

CCVC words are Consonant-Consonant-Vowel-Consonant e.g. 'S-T-O-P'

CVCC words are Consonant-Vowel-Consonant-Consonant e.g. 'P-O-S-T'

Some consonant/consonant blends can be tricky to hear within words.

e.g. 'D-R-U-M' could be misinterpreted as 'J-U-M'

High Frequency Words (HFW) linked to Read Write Inc.

High frequency words are quite simply those words which occur most frequently in written material.

We have linked the HFW to the sound patterns from Read Write Inc to ensure children develop their vocabulary. We incorporate these words in our Read Write Inc sessions which includes spelling tests.

Here are the first 100 HFW. They are colour-coded to match each Read Write Inc group e.g. 'the' – Red group.
